A woman in a white dress stands on a modern balcony with a glass railing, looking out over a vast, lush forest of tall trees. The scene is bathed in the warm, golden light of a sunset, with the sun low on the horizon behind the trees. In the foreground, there are wooden lounge chairs with white cushions and a large patio umbrella on the left. Potted plants are placed along the balcony railing.

Take a deep breath: you'll be surrounded by holm oak, pine, and olive trees all year round.
